INFORMED CONSENT

A patient, in coming to the chiropractic physician, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis and analysis. The chiropractic adjustment or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or care if she is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through healthcare procedures whatever he/she is suffering from a latent pathological defect, illnesses or deformities which would otherwise not come to the attention of the chiropractic physician. The chiropractor provides a specialized, non-duplicating health care service. Your doctor of chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regimen. I understand that if I am accepted as a patient by a chiropractor at Heartland Family chiropractic, I am authorizing them to proceed with any treatment that may be necessary. Furthermore, any risk involved regarding chiropractic treatment, will be explained to me upon my request. It is understood and agreed that the amount paid to the doctor for x-rays are for examination only and the x-ray negatives will remain the property of this office, being on file where they may be seen at any time while a patient of this office.

LEGAL ASSIGNMENT OF BENEFITS AND RELEASE OF MEDICAL AND PLAN DOCUMENTS

I authorize the chiropractor to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such chiropractic care to third party payers and/or health practitioners. I authorize and request my insurance company to pay directly to the chiropractor or chiropractic group insurance benefits otherwise payable to me. I understand that my chiropractic insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my or my dependents behalf in full or according to insured contractual agreement. I authorize the chiropractor to release any information including the diagnosis and records of any treatment or examination rendered to me or my child during the period of such chiropractic care to third party payers and/or health practitioners. This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as the original.

ACKNOWLEDGMENT

I have reviewed the notice of privacy practices (HIPPA) and have been provided an opportunity to discuss my right to privacy. Upon request I will be given a copy.
